

R\$ FREE ROBUX GENERATOR - ROBLOX FREE ROBUX REDEEM 28 DEC 2020

If you visit their website, the website will request you to provide your Mobile platform i.e. Android or iOS and then your Roblox username. Once you enter the details, the webpage will run a human verification using captcha and ask you to verify that you're actually a human and you are not a robot. And then it asks you to download the apps and in exchange, you get free Robux. However, it will take some time before the website credits free Robux to your account. There are some other websites similar to Robuxftw.com which are gaining popularity among Roblox users as they provide them free Robux in exchange for downloading apps, taking up surveys, clicking on links etc.

There are a huge number of users who say that they have claimed thousands of free Robux using these Robuxftw.com. But the game developers within the Roblox community still suggest that buying Robux using cards from the official website of Roblox is the safest way to buy Robux. And hence they recommend that you should buy Robux legally from the platform instead of getting it from a free Robux generator website.
